L&T Wins CII Award for Water Management

L&T has been awarded the coveted CII National Award for Excellence in Water Management in 2023. The honour has come in the 'Beyond the Fence' category for integrated community development CSR programme undertaken by L&T at Devgaon in Aurangabad district of Maharashtra.

Mr V K Saraswat (Former DG - DRDO & Member - NITI Aayog) handed over the award to L&T's Ms Mabel Abraham (JGM - Corporate Social Initiatives) and Ms Chetana Pathare (Manager - Corporate Social Initiatives) at a ceremony hosted in New Delhi on 13 December.

The integrated community development CSR programme undertaken by L&T aims to empower water-stressed rural communities of the region to undertake water conservation through better governance and capacity building, thereby supporting livelihoods and improving the quality of life of the people. The award is a joint initiative of CII and CII Triveni Water Institute.

To select the winners, the jury, Chaired by Mr Anil Kakodkar (former chairman of the Atomic Energy Commission) employed a scientific, systematic, data-driven and metric-focused evaluation approach spanning over three rounds.
